**Mandatory training for Care Assistant;**

Can include either;

NVQ level 2/3 Certificate in Health & Social Care/Care

And/Or

Student Nurse Skills, assessed and signed off as 'pass'

These should include the following. If you do not have the above, then care work requires the following basic training;

Moving & Handling,  
Infection Control (including hand hygiene)  
Food & Hygiene  
Adult Abuse (SOVA)  
Health & Safety,  
Fire Safety,  
First Aid Awareness.

Ideally you should also have had;

Dementia/Managing Challenging Behaviour (necessary if you work in any mental health area)  
Principles of person centred care/role of the care worker  
Communication,  
Mental Capacity Act,  
Deprivation of Liberty,  
Equality & Diversity  
Conflict Resolution,  
Privacy & Dignity

We can offer the above training; however dates offered may not be a period of weeks, which may delay your start date for work.

Training must be valid and refreshers are required periodically. If your training is out of date you will need to either obtain updates as soon as possible in your main place of work or we can offer training with Mike Riglin Nursing.
